

## YesWeCan Listserv

The Washington Society of Addiction Medicine (WSAM), the Washington State Legislature, and the Health Care Authority (HCA) invite you to join the YesWeCan listserv. The listserv is a new resource for providing peer support to anyone whose work involves evidence-based treatment for individuals with substance use disorder. You can reach out with questions related to:

- Opioid withdrawal
- Initiation of MOUD
- Poly substance use
- Ongoing and whole person health care
- Pain management
- Communication strategies and shared decision making
