Perinatal PCL Information

How does it work?

- Consult with a UW perinatal psychiatrist
- Call 877-725-4666 (PAL4MOM) weekdays 9am - 5pm
- Complete a brief intake
- Receive written recommendations and resources

Who can call Perinatal PCL?

Any provider in Washington State. This service is free and funded by the state.

What kinds of questions can I call about?

Behavioral health questions about patients who are pregnant, in the first year postpartum, or who have pregnancy-related complications (e.g. pregnancy loss, infertility).

Topics may include psychiatric disorders and substance use disorders, risks and benefits of psychiatric medications, non-medication treatments, and resources.
